-- " THRORETICAL RECIGION."

General's Letter.

20 :EE SOLDIERS CALVATION ARMY WORLD,

AT DEAR COMPANIES.

Are we a practical people after all? We say we are. We profess to measure ourselves by the good sciently accomplished. But are we what we seem? Are we a realit? My mind is agitated on the subject.

agitated on the auticet.

Nothing is worse—we feel that nothing can very well be more abomineble to God and angels, and we are sure that nothing can be more abborrent to oursolves than shams and make-believe. We liste them with a betred that we be-lieve is divine. We have said so before;

bones.

In this bates at least we have Jason Onder for our pattern. He was—as we all how—pittle and teniers to theree and publicate (far gutherare—not drunk-and makes, midh, and poor hards, but be had no many on the pretended religiousies boat Him. Be unmanded their hollow hyprorisy, celled them hard manes, spoke of them as a generation of poisonous caakes, and wondared how it was possible for the mercy, of God to reach them; and wondered by what possible manes they could manage to seeage the damostion of hell.

Do con ask me, my comrande, why the

Do you ask me, my comrade, why the Pheriseas excited the bitter antipathy of the Master ? I answer because it was a mars prantense—a bullow form, an empty coremony, they did their religion as it were by mechinery, and they knew it.

were by mechinery, and they knew it.
They had a theory which they did not
prestleally cerry out; used religion and
the name of God and acred thunge to
minister to their own salfathness and
temporal interests. They traded on the
ovarianting hopes and fears that are born
many somis, for the savidi gargoos of
They was a gigantic hypocrity. Hence
withering scorn.—His demunciation—His.
withering scorn.

This institute has deministration — Assembly withburing scotts.

It was purfactly natural for the Sover of Cod to feet hims. We feel after this code of the Cod to feel hims. We feel after this was a continual falsehoof? Or a man who was constantly anlarging on honesty while known to be a practical think of the continual falsehoof? Or a man who was constantly anlarging on honesty while known to be a practical think of a coaster in the beauty and walter of being planes when he seemed to be a practical think of the continual to the continual than the continual

settered uching?

If then theory, unaccompanied by reactios, is such an abomination in with things, what must it he when associated with these electrals questions which are measureless in value?

practices, as a new are a searchly thing, what must it he when as sacistad with there extends question with his are searchly without the search of the searc

Or of those who say they believe in Holl and would send saybody there if they could who did not hold the same theory, and yet in practice will not port with the luxuries of life, or outure the mullicat hardship in order to says the

Oh, my comrades, this holding trath In theory, and not working it out in practice is awald. My soul, is egitated about it. Po we stand clear surseing the Let us look at our lives and snawer to God for surselves.

God for sus-seed as a religious organization what is the end of religious organization? What is the end of religious organization? What is it for? To maintain the name of. God? Well, we suppose that is very important, but we famp Ho could maintain His name and fame in the earth without us. For the oftening age of consulty and praise? Very good, rest purpose that the continue to the country of the could be consulted in the continue to the country of the

it fairly. What is the results of earthly organizations by the extent to which they seeme the and for which they are meeting titled. Take a fire bright earthly organizations by the extent to which they seeme the and for which they are meeting to the control of the would be nothing as many the seemen to the control of the rainbow, put the firemen into blasting uniforms and glittering helmotra; give them a thousand issuence in all the secrets of their business; show them how to manipulate their engines and hose and alfaders and had all the paraphermalia.

who are being literally evalueed up in this fames.

Tuna BHone Sweet Horse

I love to work for deans,
And worship at His Throne,
O may His Spirit help mile.
To live for Thin stone.
To labor for my Savisur.
My greetest joy shall be,
I know that Jesus loves me,
Because He died for me.

CHORUS. .

Love, love, love the Lord, I love to work for Jesus He has done so much for me

To labor in 111s vineyard And alweys watch and pray. I want an hund le Spirit, The Christian race to run,

Tie Christian race to ran, And ray what'er befalls me, Thy will, not mine, be done

It want to be like cJsus,
And with the Angels stand,
Around the throne in glory,
And a paim within my hand,
I know I'll be like Jsus.
If I do His will below.
And oulder it tis needful,
My carnest love to show,

I mean to die in Jesus, And choot His power to save. When on the banks of Jordan I mark its rolling weve. And when I rise triumphant,
